

The Statistics Department at Virginia Tech invites applications for the Director of the Consulting Laboratory. The Director of the Consulting Laboratory will be responsible for providing statistical support to faculty and graduate students from a variety of other departments at Virginia Tech. The Director will work closely with graduate students and faculty from the Department of Statistics in the Laboratory to provide this support to the University. A successful candidate will have consulting experience and excellent communication skills. A Ph.D. in statistics, biostatistics or related field is required. Experience in experimental design, regression analysis or multivariate analysis is preferred. The incumbent of this position will be a non-tenure track research faculty member within the Statistics Department and may be filled at the assistant or associate level.

All applications must be submitted electronically by filling out an application at the Virginia Tech website <http://www.jobs.vt.edu> . The posting number is 071137.

Applicants should submit a cover letter, curriculum vitae, and statement of research and teaching interests using our on-line system. Separately mail three letters of reference to Dr. William Woodall, Search Chair, Department of Statistics, Virginia Tech, Blacksburg, VA 24061-0439. Direct questions to Dr. Woodall at bwoodall@vt.edu or by phone at 540-231-7792. Review of applications will begin December 1, 2007.

Virginia Tech is committed to recruiting, selecting, promoting, and retaining women, persons of color, veterans, and persons with disabilities. The University is a recipient of an NSF Advance grant which opens up a wide range of networking and development opportunities to women in science and engineering (<http://www.advance.vt.edu>). We strongly value diversity in the university and seek to assure equality in education and employment. Individuals with disabilities desiring accommodation in the application process should notify Betty Higginbotham, Department of Statistics (higgvt@vt.edu, 540-231-5657, or call TTY: 1-800-828-1120).
