DEADLINE TO SUBMIT APPLICATIONS FOR 2018-2019: JANUARY 15, 2018

JEAN D. GIBBONS FELLOWSHIP

Visit our website: www.stat.vt.edu or Contact Marco Ferreira, Director of Graduate Programs
• marf@vt.edu
• 540-231-8356

FOR MORE INFORMATION & TO APPLY ONLINE:

THE FELLOWSHIP:
• Includes a generous stipend
• Full tuition guaranteed while in program
• Live and work in a community of faculty and graduate students whose work and research spans disciplinary boundaries:
  • Bayesian methods & modeling, genomics, epidemiology, bioinformatics, big data, machine learning, industrial statistics, and large-scale simulation to name a few.
  • A pioneer for women in statistics, Gibbons was the 2nd female to earn a Ph.D. in statistics from Virginia Tech. Via her generous support, the Gibbons Fellowship attracts the best and brightest students from across the United States. Apply now!

Open only to U.S. citizens or permanent residents.

VIRGINIA TECH’S DEPARTMENT OF STATISTICS

Follow in the footsteps of trailblazing statistician Dr. Jean Dickinson Gibbons and earn your Ph.D. in the heart of the Blue Ridge Mountains at the nation’s 3rd oldest statistics department.

A pioneer for women in statistics, Gibbons was the 2nd female to earn a Ph.D. in statistics from Virginia Tech. Via her generous support, the Gibbons Fellowship attracts the best and brightest students from across the United States. Apply now!
