

JEAN D. GIBBONS FELLOWSHIP

DEADLINE TO SUBMIT APPLICATIONS FOR 2018-2019: JANUARY 15, 2018

VIRGINIA TECH'S DEPARTMENT OF STATISTICS

Follow in the footsteps of **trailblazing statistician Dr. Jean Dickinson Gibbons** and **earn your Ph.D.** in the heart of the Blue Ridge Mountains at the nation's **3rd oldest statistics department.**

THE FELLOWSHIP:

- Includes a generous stipend
- Full tuition guaranteed while in program
- Live and work in a community of faculty and graduate students whose work and research spans disciplinary boundaries:
 - Bayesian methods & modeling, genomics, epidemiology, bioinformatics, big data, machine learning, industrial statistics, and large-scale simulation to name a few.
- A pioneer for women in statistics, Gibbons was the 2nd female to earn a Ph.D. in statistics from Virginia Tech. Via her generous support, the Gibbons Fellowship attracts the best and brightest students from across the United States. **Apply now!**
